We, the Living Rosary of Ukraine, have decided to arrange 30 Sacred Masses for you, all the members, benefactors, apostles, sick and suffering, beginning from December. A second priest will offer 30 Sacred Masses for the departed members of the Living Rosary.

These two sets of 30 days of Masses will be offered every month throughout the New Year. We will cover all the expenses for the two priests who are offering these Sacred Masses. May it be our gift to the Living Rosary! Please convey this information to all of our benefactors and members.

The Living Rosary was launched in the City Berezany which has 35,000 inhabitants. It is a very dynamic and holy community of the Living Rosary. Our Ukrainian members in Italy, Spain and Portugal are very active in spreading the Living Rosary devotion in Europe.

I send you the lists of all the new members here in the Ukraine for the months of October and November. Please officially register and return them to our center in Ukraine and I will distribute the cards to them.

I would like to inform you that, this month, I am going to publish 10,000 copies of the newspaper, ***The Voice of the Living Rosary***, as there is very huge demand for this beautiful LR publication. You will see that the number of new members is increasing. The newspaper is helping us to reach out to many and bring in more new members.

Thank you very much! ***Let God bless you, the benefactors and all the ULRA members abundantly!***

I impart to all of you my priestly blessing:

✠ ***In the Name of the Father, Son and Holy Ghost.
Amen.***
