Dear Madam,

It is with great joy that I write these few introductory words to you on the Feast of St. Joseph. Just to say that the Living Rosary Association has become a part of the life of our community. The Pallottine House of Formation here at Merrivale, South Africa has taken the step in living and promoting, as much as we can, the devotion to the Blessed Virgin Mother in general and the daily prayer of the Rosary by its members in particular. We were invited to the Association by a friend of ours, namely Queen Victoria Dlamini. Since then, many members have joined. Few friends of the community also have discovered the depth and simplicity of this way of praying the Rosary. I send you a photograph of the Living Rosary members of our community.

We thank God for calling us to this adventure with Mary and ask Him to continue showering you with every necessary blessing you may need in all your undertakings.

Yours faithfully,

Fr. Ambroise B. Bayiha, SAC
