22<sup>nd</sup> March 2009

Dear Patti Melvin,

Greetings from Kyaing Tung, Myanmar!

Hope this letter finds you in good health. I thank you for all you have done for us, our diocese and our faithful in Myanmar. When boxes come to me, many priests, religious Sisters as well as laymen flock to me for Rosaries and St. Philomena Oil. They are very precious and appreciated very much. Within a week, these materials have all gone to persons who are in need of it. We believe, through them, peace is restored in our families and there is quick recovery of health. We, Fr. Peter Anwe, Sr. Teresa Musa, Sr. Maria and I, are trying our best to promote the devotion of Mary and St. Philomena. Now, we can see many non-practicing Catholics come to church and attend Catechism class. Peace and love dwell among their families. Thank God!

Many parish priests from our diocese as well as from other dioceses requested me to share some more Rosaries, Miraculous Medals and Holy Oil of St. Philomena. They are really powerful weapons to attack the devil and to receive protection of Mary and St. Philomena. In future, if you could send me some more Rosaries and St. Philomena Oil, we would be happy and thankful to you.

We assure you, your dear family, your staff and our benefactors of our prayers and offer Holy Mass for your special intentions especially on Easter. May the Risen Lord richly bless you and may Our Lady protect you always!

Sincerely yours in the Risen Lord and Mary,

Fr. Martino Ai Han - P.O. Box 86, Mae Sai 57130, Thailand, Asia
