My dear Patti,

I need some rosaries and other devotional items. We are having a good number of new Catholics. We try our best to keep them in Faith with several devotions, among them the most important is the Rosary Devotion and other Marian Devotions.

I used to receive rosaries from some people in the past. But they all stopped. I do not know why they stopped. I hope you will help us. I have no money to buy these materials, however much I love it. Our people really cherish these items and make use of them very devotionally.

Looking forward to hearing from you soon,

With warm regards and prayers,

Yours in Our Lord,

J Gratian Mundadan, cmi
