Dear Patti,

As I am having more ULRA Missionary Centers in almost all corners of Malawi and in my own Parish, many demand these religious items. As I told you earlier, the holy oil of Saint Philomena has a powerful curative effect on the users.

Every morning after Mass, people ask me for these spiritual things. Kindly send as much as you can, in the next boxes. Now, with these huge registrations of new ULRA members, I need more and constant boxes, as I will have to be sharing them out in the whole country. May the Good Lord always bless your holy efforts! Ave Maria!
