My dear ULRA,

Greetings of Peace and Joy from Myanmar!

I am very happy to acknowledge the Holy Rosaries you sent us recently. We appreciate your thoughtfulness, concern, prayers and kind assistance. I always distribute the Rosaries to the people around us. I also encourage them to include the donors and makers of the Rosaries in their prayers.

I was enrolled in the Living Rosary on 8th December 1998 and, from that time on, I say my daily Decade, Rosary No. 4038, pondering on the Mystery, **Crowning with Thorns**. That Mystery is very proper to my life because I had a stroke in 2004, kidney transplant in 2006, diabetes in 2007 and cataract in my eyes in 2008. Although I have a series of physical ailments in my life, with the grace of God and Our Blessed Mother's help, I can endure my daily sufferings.

Please pray for our people and for peace in the world.

Let us be united in our Blessed Mother for the conversion of sinners.

With love and prayerful thanks,

Fr. Raphael
