Dear Patti Melvin,

Glory to God in the highest Heaven and Peace to His people on earth! I thank you all for your prayers. Our long awaited Annual ULRA conference in Omega, Namibia, took place from October 23-25, 2015. It was attended by about 630 - 750, both old and new members. The members came from all corners of our country including new members from Zimbabwe and Angola. Our members from Rundu did a marvelous mission activity. They undertook a journey to Eastern Zimbabwe and introduced the Living Rosary mission, and one new member from Zimbabwe joined us. They also managed to bring along other new members from Angola whom I invited to join us in the conference with the aim to learn from us and to start the Association in their own country.

The travel fee for the Angolians was covered by the northern ULRA members. We had enough Sacramentals for everyone. The distribution went very well. All our members returned home cheerfully.

I thank you and our benefactors for your generosity. You are in our thoughts and prayers.

United in the Immaculate Heart.

Sr. Margaret Utoni
