**LORD, THAT I MAY SEE!**

Dear Apostle of the Immaculate Heart of Mary,

We are so very grateful for your strong support in helping our missionary efforts both here and abroad. You are well aware of the tragedies and crisis everywhere, and the great consolation is that Our Blessed Mother will use all our pain, sufferings and strife to obtain for us perfect peace and deep union with God. We pray for the Gifts of the Holy Ghost and abandon ourselves totally into the Arms of Jesus and Mary. This little prayer, **PRAYER FOR GUARDIANS OF SOULS**, is something very powerful and I wanted to share it with as many as possible. We are making it into a holy card which will be ready very soon.

Thus, the secret of sanctity is **LOVE**, love of God and the love with which we perform all our actions. Every day, we must undergo interior warfare as our unruly appetites and self-will rage to have their way. The only way to holiness is through the Cross. In time, we will welcome every circumstance in our lives that can produce in us the least resemblance to the Life of Our Lord and Master. His Life was full of contradiction; friends misunderstood Him, His work was criticized, hate and jealousy surrounded Him. His Life was one uninterrupted Way of the Cross! Our work for souls must be done by means of the Cross. We must find our strength in hardship and our joy in suffering. There will be endless struggle which will require heroic endurance. We cannot go it alone. Let us beg God to make a beautiful home in our souls where He can ever dwell; a home from which no one will ever dislodge Him. Self-denial is the heart of sanctity, the price of being near to God. Only resignation to God's Will brings peace.

We must generously give ourselves to souls, with joy and without expecting anything in return. God sees us; we are His privileged children; He made us His Apostles, His victims of love. The struggle of our lives is to let Christ rule! **THE ROAD OF PAIN IS THE WAY TO HEAVEN!** All things that hurt are divine blessings. Every trifling cross is a fragment of the Sacred Host in which, in spite of its littleness, we will find God whole and entire! Alas, few of us give God our all, few trust Him enough to part with self, and few are willing to die for Him. Pull up the stakes, cut away the moorings, and hand over to God your whole being, body and soul, with all its powers. They are His undisputed property. Allow Him to live His own Life within your life!

Our prayers are with you both day and night.

Let us pray for one another.
