Dear Patti,

Greetings from the Friends of Santa Philomena!

The Lord has done great things for us, Holy is His Name. I have all the reasons to praise him because the Children's Living Rosary Conference went very well and a great number participated. Our effort to educate our Catholic children in the tradition and values of the Church has paid off, and a number of local businesses welcomed it and came to our assistance by donating food and refreshment for the event. The materials you sent brought a great joy to all of us. We pray that your strength may be doubled and renewed each morning. On behalf of the children, thank you and God bless you!
