Dear Mrs. Melvin

I am Fr. Julio Oo, a diocesan priest, from the diocese of Pehon, Myanmar. I hope you are well. I met one of the leaders of the group that have great devotion to St. Philomena today and she asked me to share some of the photos they took of their activities. With the holy oil and pictures of St. Philomena, they were able to pray over some mothers that had hard time getting pregnant and later were able to deliver, also some others that were suffering from strange diseases. They were quite successful. We are truly blessed to have some of our parishioners involved in religious promotion. Many thanks for your support and prompt response.

Thank you for sending me my Decade.

Fr. Julio Oo
