

Hi Patti,

Saint Philomena's Apostolate is a Catholic Homeschooling Group in Ellicott City-MD, which meets 2 days a week at St. Paul's Church to home-school together. We have 33 families this year and each year we invite all those children who are 10-18 years of age to join the Children of Mary program if they like. This year, we have 24 student members at our school and we meet once a month and do a service project.

Last month, we put together "**bl**essing bags" to give out to the homeless.

This month, we were excited to string Miraculous Medals that the Universal Living Rosary Association provided us. In just under 2 hours, our students and a few enthusiastic parents were able to assemble 1,050 Medals which Mrs. Melvin will send out to the missions! Everyone enjoyed it and felt such a sense of accomplishment when we were finished. This is a fun and simple way to serve God in a group. They really enjoyed it. I would highly recommend this project to other Catholic groups.
