

Dear Patti Melvin,

It is our great joy to receive your two parcels containing Rosaries, Miraculous Medals, Scapulars, prayer cards, a big bottle of St. Philomena blessed oil and cords, booklets, registration forms and decade cards.

I'm so glad that I succeeded to register many members. Until now, I have 180 members who are students and village folks of Maua Parish. There are also many people who wish to enroll but I failed due to lack of enough Sacramental and printed materials. I will send you the completed lists tomorrow. The items which you sent were distributed to the members, but some of the members missed because we are too many in number. Please send us more Sacramentals and the holy Oil and Cords of St. Philomena, registration forms and Decade Cards.

On 9th Mei, 2016, we had a seminar which was attended by form-I students at Maua Seminary. We will have a Seminar on 14th Mei, which will be attended by the village folks who are Christian Catholic religious and another Seminar on 12th Mei for form-II students at Maua Seminary. The main intention is to propagate the Triumph of Immaculate Heart of Mary and to strengthen the members' faith. I should spread the Living Rosary devotion in my Parish since there is no other strong devotion to the Mother of God. In my Parish, many people like to recite the Holy Rosary and they love Our Lady very much but they are not motivated and inspired to do so. We are requesting for your further support to enable us to reach many souls.

Our prayers are always with you. May God bless you and your team!
