

E-Mail: August 14, 2015

Dear Patti,

*I received the box you sent me and am very happy. We send you our love and eternal gratitude. We had the celebration of Saint Philomena on our web page and together we all prayed her Chaplet for all the members, especially for you. Attached are some pictures of St. Philomena.*

*We assure you of our prayers for you and your family, and are very happy and thankful to hear of Richard's recovery. God bless you!*
