

Dear Apostle of the Immaculate Heart of Mary,

Your gifts, prayers and sacrifices nourish and build up the Mystical Body of Christ in this great battle between good and evil, truth and error, love and hate. What a blessed privilege to help the Mother of God nurture souls unto everlasting beatitude! With the Pope here visiting and so much at stake for families and our Nation, we simply cannot do enough. Souls must be reached. When people are in pain, they are more receptive to spiritual remedies than during times of prosperity.

**Now is the time to reach out to
Every Soul we possibly can,
ONE-BY-ONE!**

Is our faith a sham or a reality? Many of us have the faith, but we are not using it. Our mothers gave it to us, and their mothers before them. The faith is transmitted from mother to son. How meaningful our prayer to our Blessed Mother would be, if only we used the faith that we possess in making it!

Our Lord and Our Lady do not do as much as they could for us, because we think they are not able. It is we who limit the bounty of their mercy. The way to reach God is through the intercession of Mary. We must see Mary, walk with Mary, talk to Her, realize She is a real person who will listen, love and respond. Let us look at Mary for the first time with new clarity and intensity. Believe that She is alive, that She is real, that She has eyes, a face, a smile, a memory, an intelligence and a heart! She is a woman with a mother and father of her own, a Son Who is truly God, and Who loves you, and Who will deny you nothing that you ask. Mary is omnipotent in the power of her prayer. Mary is omnipotent in the power of her intercession with Her Son. Mary can do anything God can do. The difference is not what God can do and what Mary can do. The difference is the way they do it. God wills something and it happens. Mary prays to Him for something and He does it! God will **NEVER** say no to His Mother! Approach Jesus through Mary, and it will be done.

Our Lady is not peripheral or accidental to the life of the Church, not the object of a devotion which challenges the centrality of God and of Christ, but an integral part of the Church's essential life!

Our prayers are with you both day and night.

Let us pray for one another.

**ALL for JESUS,
THROUGH THE
IMMACULATE
HEART OF MARY!**
