

MEN MUST CEASE OFFENDING GOD, WHO IS ALREADY TOO MUCH OFFENDED!

**We are wrestling not against
flesh and blood, but against
Principalities and Powers!**

The battle in which we are engaged is essentially a spiritual one and only spiritual weapons will obtain the victory. The weapon, par excellence, is the very Heart of the Mother of God, the seat of the Immaculate Conception, that which drove Satan and his hoards from the vault of Heaven down to the pits of Hell. Their ominous cry of pride and utter defiance resonates throughout the world today, **"I WILL NOT SERVE!"** Driven from the Face of God to wander through the world seeking the ruin of souls, these proud angelic spirits, turned demons, were crushed by the humble words of the Virgin Mary:

***"Behold the Handmaid of
the Lord, be it done unto me
according to Thy word."***

***"The sacrifice required of
each person is the fulfillment
of his duties in life and the
observance of My Law. This is
the penance that I now seek
and require."*** (Our Lord
to Sister Lucia, 1943)

DAILY DUTY

I must love the Lord, my God, with all my heart, with all my mind, with all my soul, and I must love my neighbor as God has loved me, that I may be happy with Him in Paradise **for ALL ETERNITY.**

Regardless of my treatment of Him, God loves me. He is compassionate to the thankful and to the evil alike. I will always find forgiveness from Him, Who prayed for those who murdered Him, as well as for those who loved Him. What God wants is not my plans, but my life that He may work **HIS** plans through me. Conversion of heart and soul must necessarily **PRECEDE** my consecration! The words of Jesus Christ to Sr. Lucia stated this precisely:

**The consecration of Russia
to the Immaculate Heart of
Mary will be the outward
sign of the Triumph of the
Immaculate Heart of Mary!**

It is the love that springs up in my heart for Mary, Co-Redemptrix and Mediatrix of all Graces, that prompts me to surrender myself to Jesus Christ through Her Immaculate Heart. This is the most important foundation of my Consecration.

Pope Pius XII issued an Encyclical in 1948 to the whole world calling upon every family and every diocese to make the consecration. In 1952, this same Pontiff consecrated Russia to the Immaculate Heart of Mary in union with the whole Church and had a medal struck to commemorate this monumental dedication. Yet, Sr. Lucia wrote that, although God was pleased with this act, it was incomplete ...

“It cannot be complete until every individual, every home, every diocese and every country consecrates itself, after the example of the Holy Father to the Immaculate Heart of Mary.”

Sister Lucia

In November 1961, in New Delhi-India, Patriarch Nikodim of the Russian Orthodox Church laid down the conditions of the Kremlin which had to be accepted before they would attend the Vatican Council II. The Vatican-Moscow Agreement is no secret. In early 1962, the pledge was signed by the Vatican that no hostile declaration would be made by the Council against Russia. Communism was not to be mentioned. And, today, we are told that Communism is dead. Yet, it marches on to engulf the world with its doctrines and iron fist.

We will know that the Immaculate Heart of Mary has **TRIUMPHED** as She promised, when the Holy Father united with all the Bishops gather in Rome to define the third and final Marian dogma that Our Blessed Mother is the Mediatrix of all Graces and Co-redemptrix of the world. This **TRIUMPH** will be the outward sign of the consecration of Russia. Then, the Sacred Heart and the Immaculate Heart will reign on earth as They do in Heaven. Peace will be given to the world.

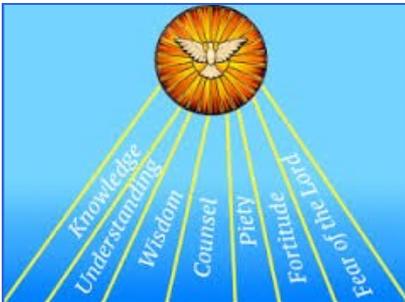

IT IS THE WILL OF GOD!

The Holy Ghost is God. The Blessed and ever-virgin Mary is His Immaculate Spouse. Of Mary, there can never be enough! What is given to Her is given to Him!

O Mary conceived without Original Sin, pray for us who have recourse to thee and for those who do not have recourse to thee, especially for the enemies of Holy Mother the Church.

The name of Lucifer is “**LEGION**”. He is constantly changing his name and his image, but his indelible mark remains unchanged: hatred of the Church, hatred of the just and hatred of the Immaculate Mother of God. The Holy Ghost is the principle of the life of the Church and, therefore, the source of Her holiness and Her unity. Disunion from this life results in death. Arrogant and disciplined by an inhuman mystique, the enemy applies methodically, point-by-point

his plan of extermination. Mary the Immaculate is our direct way to Jesus Christ. She is the weapon of conquest with which to establish the reign of Jesus Christ universally from one end of the earth to the other! Nothing must sorrow the Holy Ghost quite as much as the mediocrity of we who are vowed to His Spouse. Embracing the Blessed Virgin Mary, the principle dogmas of our Faith are read, grasped, loved and believed. Our Blessed Mother contained and contains the Gospel which She offers to us through the Mysteries of the Holy Rosary! She is the **fountain of grace** which is poured out upon us through her powerful Sacramentals of the Holy Rosary and the Scapular of Mount Carmel. True Christians can be recognized by their **IMMENSE** love for the Mother of God, but nothing short of **IMMENSE!** The Immaculata will impart to us a deep love for Her Divine Spouse and obtain for us the fullness of His Gifts.

We are on all sides surrounded and pressed by the spirit of the world. Never in any other Age has the hostile spirit of the world risen up so mightily against the Kingdom of the Holy Ghost, Holy Mother the Church. Never has apostasy from the faith been more general, nor presumption more extreme, nor hatred and jealousy between nations more ferocious. Our Age is identified by sin against the Holy Ghost. In this Age, a religion, peculiar to itself, is here. The worship of the devil has affected apostasy

from the truth and confusion of the mind. Ours is an Age of spiritual darkness, lies, godlessness and despair.

Sin is the evil which surpasses all other evils put together, destroying our union with God and man, annulling our claims to future happiness, rendering us victims of eternal misery and deranging the harmony which should exist between nature itself and the human soul. Owing to our want of thought, sin reigns everywhere in all shapes of corruption and disorder. Its dominion is universal, extending through all the paths and avenues of society, infecting every state and condition, defiling each Age, and tainting alike both men and women. Sin is the rejection of God's authority, our positive refusal to submit to His Commandments, an act of downright rebellion against Him. The ingratitude which it implies is the blackest of all ingratitude - total disregard for a father, benefactor, lover and friend. By sin, we positively trample His mercies and His kindness under our feet. We may form our idea of the atrocity of any crime by the weight and nature of the punishments which are inflicted because of it. When our first parents sinned, God visited them with the severest penalty. He converted His Paradise of delights into a vale of tears; and His promise of immortality, He changed to a sentence of death.
