

Dear Patty,

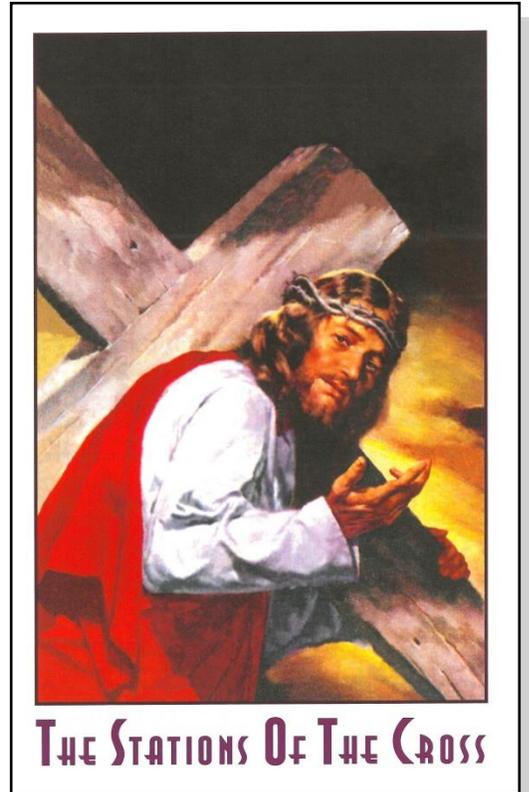

Remember, several times I had told you when you depart from this world and arrive into the Presence of the Lord, you will find out how many people you helped with your religious material. Well, sometimes our Merciful Lord lets us know some fruits of our work to encourage us to continue doing this work.

You sent me some books, **The Stations of the Cross** that I distributed in 3 Churches. One of those was at St. Philip Neri. There, I gave this book to a lady. I saw her come into the church once in a while. I offered her the book after the Mass at 11:15 on the First Sunday of Lent. I spoke to her about **The Stations of The Cross** and the great help that brings to our souls to do it especially during Lent. She took it and went home. Then, I saw her the next day at the 12 noon Mass and she was doing the Stations of the Cross. It made me very happy. To make a long story short, I saw her doing it daily.

Two weeks before the Holy Week, I offered the book, **Reign with Christ**. She took it and told me very emotionally, *"Luisa, you have no idea how much you helped me with the 'The Station of The Cross' book. I am meditating on it every day."* It touched me very deeply and brought me closer to the Lord.

She continued, *"I went to pray very close to the Tabernacle. I wasn't doing this for a long time. I was breaking away from my faith because I have had many problems (she recently lost her husband). Now, I can tell you my faith is very strong. I trust more the Lord and I feel that I need to pray more and I feel good doing it now."*

For a long time she had been looking for a 2 bedroom apartment. Her brother is very sick. He is confined to his bed and needs help. She had been spending a lot of time and money on applications in looking for it, without any success. One day, when she was praying to the Lord close to the Tabernacle, it came to her head so clearly to go to visit her brother. She said that was Divine inspiration. She felt it and went to visit him and, among his mail, she found an application for a two bedroom apartment. She completed the form, sent it out and he got the apartment.

She is now attending Mass and receiving Communion daily. She said that she is a different person. She is evangelizing to her daughters, son and her sister. She wants to bring them closer to the Lord (I don't remember if she is evangelizing to her brother). She asked me to send by mail every new book. She will be moving in May to Syracuse with her brother.

She got the 2 bedroom apartment and the rent is not too high. She feels full of faith and wants to help her brother more than ever. She said that the great faith that she is feeling and experiencing is beautiful. She has a new life, a new vision and is focusing to be a better Christian. She told me all of that very emotionally. She loves the book, **'The Stations of The Cross'** and she treasures it.

I am very happy for her. I told her that it is the Lord that works in amazing ways and He wants her very close to Him. He is the only one that she can thank for that beautiful conversion and to you for that book. I hope that I didn't bore you. But, I needed to tell you that beautiful testimony and conversion through the great book, **'The Stations of The Cross'**

Now, I let you know one of the fruits of your work. God wanted you to know about it.

Sincerely,

< Luisa – NY, USA >
