

Dear Mrs. Patti Melvin,

I would like to inform you that, in early September, I received a parcel you sent to me. I also received a letter you sent on 10th September. In your letter, you said you have a good stock of new leaflets. This month, October, we have planed to reach several Parishes, so we need more leaflets and other materials. You said you have a lovely little book titled, **HOLINESS THROUGH MARY** written by Fr. Francis Ripley. I have never heard about it. I will be happy if you send a copy to me.

I am trying my level best to do whatever I can to make sure the ULRA is known to everyone. I make sure each new member has the booklets titled, **UNIVERSAL LIVING ROSARY**, in Swahili "ROZARI HAI" the booklet with Rosary Mysteries meditations and the booklet with St. Philomena's prayers titled, **MT. PHILOMENA, MLINZI WA ROZARI HAI**. For making copies of these booklets and other important documents, I normally pay 100 Tanzanian shillings for each page.

You have asked in your letter of August 20, 2015 that you would like to know what we need to expand the work for Our Lady. The thing we need most is a **PHOTOCOPIER** which will help both to get **more copies** and **reduce the cost** to make copies.

Last week, I sent to you the lists of 135 new ULRA members. On Sunday, 11th October, we held a special Mass for enrolment of 75 new members at Mashati Parish. May God bless you!
