

Dearest Patti,

It is my pleasure to send you a list of new members and to inform that our Annual ULRA Conference is gradually approaching. It will take place from 23rd to 25th October. At this Conference, we are expecting some of the ULRA members from Zambia to attend as part of networking between our neighboring ULRA members.

I was alerted to request enough Scapulars for new members. We will need at least 1000 Scapular, 1000 Medals, various **Dedicated Decades** and other Sacramentals. These will not only cater for new members but also to replace old Scapulars. I wish that all the requested materials reach Windhoek by mid- September.

May I thank you for all the good work you do for the faithful, may the Good and Kind Lord assist you in all you do, and may He sustain all our Benefactors in His own way.

United in Prayer,

**SR. MARGARET UTONI, MSC
