

Dear Apostles of the Immaculate Heart of Mary,

Thank you so much for your very generous donation which is such a splendid help in reaching out with Our Lady's Sacramentals and printed materials. Through this means, the souls they reach will live in Mary's Heart, love what She loves, and desire what She desires. God will be glorified and you will be blessed eternally!

Our participation in the great Militia of the Immaculata during this most critical time in the course of history is the greatest privilege and the most singular blessing. It is an incredibly sobering responsibility. We are engaged in a battle against the principalities of Hell and it is a fight to the death. In order to obtain victory for Our Queen, we must be generous, courageous and heroic in our efforts, and keep in top spiritual fitness. The sacred Fountain of the Sacrament of Penance pours out upon souls the Most Precious Blood of Jesus that we may be purified from all stain of sin and find the sweet peace of divine strength. It gives us new ardor to move forward on the path of intimacy with Christ.

Through the embracing Arms of God's Mercy, we are lifted up to merit salvation by the power of His Most Precious Blood. Our hearts are softened, bad habits weakened, dispositions are changed, new habits are infused and entanglements are untied.

How powerful the Sacrament of Penance is to restore peace to the troubled soul! We must ask God to help us make a good Confession. The Grace obtained for us in this Sacrament is that of absolute purity and delicacy of conscience so essential for intimate union with God. We consider here those things which separate us from the Love of God: disobedience, distraction, resentment, contempt for others and harsh judgement of them.

Too late have I loved Thee, O Beauty Divine! O Eternal Charity, I dedicate to Thee all my works; I consecrate to Thee all my labors; I seek Thee in all, love Thee above all, and live united with Thee, Who art my All in All!

Our prayers are with you both day and night.

PATTI MELVIN, Director - ULRA

Let us pray for one another.

**MY SWEET JESUS,
PURIFY ME!
STRENGTHEN ME!**
