

Sub: The Living Rosary Conferences held in Madurai, India

Hello Mrs. Patti Melvin,

Greetings in the name of Saint Philomena! My name is Clement Michaelraj, Software Engineer, US Citizen, currently living in my native place, Madurai, Tamil Nadu, India. When I was in the US, I came to know about Saint Philomena and became a devotee. When I moved to India, I contacted Bro. Joseph Roche, India Animator of the Living Rosary, Chennai, who conducted the Living Rosary conferences for the last 20 years successfully in India and has enrolled thousands and thousands of people into the Living Rosary.

My native place and surrounding villages do not know about Saint Philomena.

I invited Brothers Rodriguez and Ruben who are promoters of the Living Rosary in Chennai to hold the conferences in my city. They eagerly agreed and conducted three conferences so far, which were a success. We never heard these messages anywhere before. Their messages include reparation, motivation on family values, Fatima Message, Purgatory, dress code, Saint Philomena's life history and sculpture, etc. After each conference, I heard the people congratulating these brothers for the messages they delivered.

The Living Rosary Conferences were held on the following days:

On May 31 from 10 am to 5 pm: Fr. Antony Rajan, Parish Priest of Sacred Heart Church welcomed the gathering of 320 parishioners, and we enrolled 100 members.

On July 18 (5 pm to 9 pm) and July 19 (9 am to 2 pm): My cousin brother, Fr. Jai Joseph, Parish Priest of Our Lady of Lourdes Church welcomed the gathering of 230 parishioners, and 95 enrolled in the Living Rosary.

On August 9 (9 am to 4 pm): Fr. Edwin Raja, Parish Priest of Saint Joseph Church welcomed the gathering of 300 parishioners, and 120 enrolled in the Living Rosary.

My hearty congratulations to these two brothers! We are blessed to have them in India, conducting spiritual meetings. God will bless them abundantly.

We will certainly conduct many more Living Rosary conferences in my place. Attached are some of the pictures.

We request you to pray for us that we may conduct more conferences in our Tamilnadu State and other States, and enroll many more people into Living Rosary.

Thanks to the ULRA for bringing our Blessed Mother Mary's Message to the people of India.

Regards,

**Clement Michaelraj
