Dear Patti and the Family of the ULRA,

We would like to thank you all for the wonderful work and the Sacramentals. We received your boxes last year and started promoting the ULRA in our Diocese. We have seen many miracles taking place especially through St. Philomena's cord and oil, and wrist cords. We have our own testimonies to share.

I am sending our Annual Activity Plan for you to see our involvement in the Spiritual and Apostolic Program for this year 2016, as well as the photos taken during our St. Philomena feast day at Wati Parish in Nubu and the photos of our juniors and senior members of ULRA in the Diocese of Aitape.

Patti, I have met our Rev. Bishop Otto Separy for a piece of land to build our ULRA Centre in the Diocese and the Bishop gave us permission to set up our Centre. When our Centre is complete, we will invite you and some of the ULRA members to come to Aitape, Papua New Guinea for the opening ceremony.

Please pray for our financial funding either in cash or kind. May God bless you!
