My dear Patti,

Peace and Joy of the Lord abide with you! Thank you so much for the boxes you sent to me containing the Dedicated Decades, Sacramentals, stamped and returned completed lists, etc.

St. Philomena is really facilitating the spreading of the Devotion in Nigeria! The Association of Mary Queen of All Hearts which is found all over the country is zealously promoting the Living Rosary. As soon as the completed lists of new members and the photos are ready, we will send them to you.

Last Saturday, I was with the Associates of Marian Movement of Priests in our Archdiocese. I shared with them my reflection on the urgency and necessity of praying the Holy Rosary everyday, the beauty of the union of charity we live as members of the Universal Living Rosary, the amazing life and intercessory power of our Patroness, St. Philomena and her unfailing and saintly influence on the young people. Everyone present wanted to be enrolled such that the cards finished in the process! Each of those enrolled received at least one Sacramental. It was my joy to bless the little children present and personally place the strung Miraculous Medals around their necks. I reassured those yet to be enrolled that as soon as the cards are available, I will see to it that they will all be enrolled.

I am contacting my fellow priests, enrolling them in the Living Rosary and some of them are really very happy to promote the Devotion. We are organizing ourselves in order to meet up with the enormous demands for enrollment as well as reaching out to as many souls as possible. Please pray for us.

May I humbly request that you send me cards for enrollment. If the cards are available and you are able to send them to us, please send me some 3000 cards. Since there are so many people to enroll, we give at least one Sacramental to each person enrolled. So send us what you can regarding the Sacramentals for now.

May God bless you and all those working with you for the spreading of the Kingdom of Christ through the Immaculate Heart of Our Mother Mary! Yours in the Immaculata,

**< Fr. Michael Akaigwe - NIGERIA >**
