Dear Patti,

I hope that you and everyone there at the ULRA are doing fine. It has been a few months since I have written, so I wanted to get this mail to you. I was released from prison on 16<sup>th</sup> February after serving 3 years. You can imagine my surprise when I was told, I had to report to Laurens County Jail on charges from 2013 that I thought had been taken care of in November 2014.

I am sitting here in jail now for one full month and have not been told anything except they will get me into court whenever they can. It seems to me that the letters I have sent out are being destroyed. I have written to 5 contacts that regularly and in a timely way always answered my mail, and have had no reply from any of them. The request forms I write to the officers about my mail are unanswered. I have not seen or talked to a lawyer or court official since being returned to jail. I am asking you and everyone at the Living Rosary to keep me in your prayers. May the Lord continue to have His Will done in all the aspects of my life.

I continue to pray my Decade and I pray also the whole Rosary each day. I have no Rosary, no chaplain, no prayer book, nothing! There are no religious services available here. If you reach me, please send me spiritual reading materials and the Dedicated Decades. God continues to bless me daily and I am thankful for all that I experience each day, even sitting here in this jail because I know that I am never alone. Our Lord Jesus Christ is with me every step of the way and Our Holy Mother Mary protects and directs me, as I seek her Son, Our King, in every situation. I also realize there are those in the world who are in a much worse situation than the one I am in here.

Whether free in society or locked up, I will remain loyal and faithful to Our Lord and Our Holy Mother, Mary.

Your brother in Jesus, Mary and Joseph,
