

E-Mail: August 31, 2015

Dear Mother Patti,

I am very happy to receive such a big box with all the items in it. They are very lovely.

I visited Fr. Jesu at St. Georges Parish, who was very happy for the program and he promised to write to you. I am doing the enrollment in the parish and I will update you. Victoria Sillah, the lady in white shirt, is helping me with the Living Rosary propagation. Please send the big posters so that I can show the people, while I explain the program.

I received one box from the post office. On 11th August, we had a procession around the church compound after the Novena to St. Philomena. The Holy Mass was celebrated by Father Kailey, which was well attended by the members as you can see from the attached photos. I have sent lists of 150 new members.

Thank you and God bless you all!
