

Dear Apostle of the Immaculate Heart of Mary,

Your very generous donation has arrived safely. It is a mighty help enabling us to reach souls with the most powerful weapon God has given us for victory in the infernal war being waged by the demons throughout the whole world. Yet, what a blessed consolation to know that we can help and have the power to do so today, wherever we may be! There is no problem no matter how difficult, temporal or spiritual, personal or global that cannot be solved by the Rosary. United **DECADE** by **DECADE**, we march forward to victory!

It is certain that America is at the most crucial moment of her history. Let us keep upper most in our minds the Power of the Rosary and the Message of Our Lady of Fatima. The Rosary has proven itself as a weapon of protection. The Culture of Death has gained significant control in our political affairs in recent years. It is obvious that we cannot overcome this evil on our own. Politically speaking, we are in the minority. When victory comes, there will be no question that it is through the Power of Prayer and the great Goodness of God. Our homes are secularized and meaningless comfort offered by modern capitalism has rendered safer and duller the buffer of Socialism.

The fact that our culture has surrendered so many of its core Christian values to the Culture of Death fuels their determination to convert and destroy us! Now, abortions are done in the third trimester to traffic the organs. In Austria, children were killed because they stuttered, had a hair-lip, eyes too far apart, or were disabled. They died by injection or were left outdoors to freeze to death. Times are not so different now as they were during World War II.

Fr. Patrick Peyton knew the Power of the Rosary and he knew that Catholic families must turn to Family Prayer, most especially the Holy Rosary! This is a time of hope when evil can be conquered if enough people join together praying the Rosary in petition, reparation and thanksgiving. **“A WORLD AT PRAYER IS A WORLD AT PEACE!”**

NOW is the time for a renewal of Family Life, based on the sure foundation of a loving and stable relationship of mother and father in marriage. The Rosary is timeless! Never underestimate its power! It is a weapon of defense and protection. It has the power to soften the hardest of hearts, to convert the most stubborn of sinners and to align our minds to the mind of God!

One with you in the Immaculate Heart of Mary!
