

DO NOT FEAR DEATH – FEAR SIN!

The one great evil in the world is **SIN!** It is the cause of the eternal perdition of countless souls and the root cause of all the calamities and sufferings that afflict the human race. **Could sin be abolished, the earth would become a paradise.**

“To save souls from Hell, God wishes to establish in the world devotion to my Immaculate Heart. I promise salvation to those who practice this devotion.”

These are the very words of God's Holy Mother at Fatima. Singular, significant and timely, today, more than at any other time in the course of history! God grants graces through the Immaculate Heart of Mary to whom He has confided the peace of the world.

The lurid flame of hatred that leaves the earth in ruin must be stayed by the pure flame of Divine Love ... a fire kindled not by bomb but by Grace. There is no fuller vessel of the Love of God than the Heart of Mary! **God's Love burning in the Heart of Mary is a fire.** A soul exposed to the flames of the divine fire contained in the Heart of Mary will be transformed by this contact into Love Itself. To love Our Blessed Mother and to surrender ourselves to Her Heart, we will have, at our disposal, the very Heart of God. We must **TRANSPLANT** the Heart of Mary into every heart that is filled with hatred of God and neighbor!

Everywhere, we see the sins of the wicked and lukewarm: hatred of religion, the fury of persecution, immorality, injustice, cruelty and the mad love of pleasure. Those who hate are legion; they are rich, they have great power and influence. Let us put on the Heart of Mary! As Queen of Martyrs, She gives us the only remedy for the cancer of universal hate: **PRAYER, PENANCE and CONSECRATION.** Damnation and War come from **SIN** which is Hatred! Salvation and Peace come from **LOVE!**

The Child of Mary is a Child of Sacrifice, a Child of Loyalty, a Child of Reparation! He who never opposes the will or the desires of Mary and who, as completely as possible, directs his life of loyal sacrifice to the glory of the Father for the reparation of sin and the salvation of the world, is another **'Christ'** to the fullest extent of his power. There must be solidarity in our suffering; we must make expiation for one another. As children of Mary, we must offer a double portion of love to make up for the indifference of the lukewarm, infidels and the enemies of Holy Mother the Church. Whether in the world or in the cloister, the child of Mary offers himself with the Divine Victim of Calvary to expiate the sins of the world.

By our own death to self, we can give life to many souls and offer them through Mary to Jesus. For us, as for Christ, this death is but the supreme act of love. One who devotes himself to reparation is thoughtful enough to realize the evil there is in the world, sensitive enough to suffer constantly at the thought of it and generous enough to want to expiate it by the sacrifice of himself. Will you undertake to check the powers of evil and make reparation for the sins committed against the Sacred Hearts of Jesus and Mary? Forget your own failings; do not think of them any more, leave them to God's Mercy. Think only of others; devote yourself to expiating the sins of others.

Sin and indifference deprive Our Lord of love. Our hearts are poor and contain but little love ... let us give Him the Heart of Mary! One prayer breathed by the Heart of Mary on behalf of sinners renders to Him more love and glory than all the Saints and Martyrs combined since the beginning of time. Let us exalt the Immaculate, preach Her devotion, pray Her Rosary, wear Her Scapular, carry Her in procession, and sing Her glories. Let us honor Her to the limit of our power, for She is beyond all praise. Let us honor Her with no fear of excess. That, which is above Mary, is God alone. We will never honor Mary as much as Christ did, nor as much as He wishes us to honor Her. Mary is on a pedestal apart!

Cana must be repeated today. **A wedding took place at Cana of Galilee, and the Mother of Jesus was there. And the wine having run short, the Mother of Jesus said to Him, 'they have no wine.' Jesus then worked His first miracle.** How many families today have no wine: the wine of faith, hope, love and generosity? Bring Mary into your home and into your hearts. She will whisper to Jesus, **'Son, this family has no wine.'** Jesus' Heart will be opened to us through the prayer of Mary. He will mercifully change our watery faith, hope and charity into the rich wine of His Divine Love. A divine heart transplant will slowly take place. The Fire of Divine Love will extinguish the deadly hatred of sin.

LOVE ALONE MATTERS!

MY IMMACULATE HEART WILL BE YOUR REFUGE AND THE WAY THAT WILL LEAD YOU TO GOD!

Russia will spread her errors throughout the world, promoting wars and persecution of the Church: evolutionist materialism, atheism, class struggle, negation of the right to own property, rejection of the sacredness of marriage, and robbing parents of the right to educate their children. Today, negation of the moral law abounds in over three fourths of the world's population. Crushed by earthly cares, robbed of truth and crippled by physical sufferings, where can we turn? There is not one among the Angels and Saints in Heaven whose heart is capable of compassionating our sufferings like the Heart of the Blessed Virgin Mary! All you who are afflicted and suffering go to Our Lady and tell her of your distress. Weep, if you will, and She will console you. Her Soul was transfixed with a sword; She understands fully well your grief. From the Heart of Mary goes forth the saving virtue which cures all our ills. By the intercession of Our Queen, the lame walk, the blind see, the deaf hear, the paralyzed recover the use of their limbs, and the dying return to life. Our Lady draws as She wills from the Heart of the Divine Physician, the balm that cures our bodies and souls. If Mary has healed bodies, how much more She delights in helping the spiritually blind regain their vision, paralyzed souls to once again walk in strength, and lukewarm Christians to regain their early fervor and live their faith courageously. Let us bring all those in their last agony, those on cots and in wheelchairs, the sick, the weak, and the dying to the Queen of Heaven. She will place them at the foot of the Tabernacle of Love, wherein dwells the Divine Physician. We allow ourselves to be operated on by a mere mortal, but we protest when God sets to work on us. The chalice of suffering He offers us may be a bitter one, but has He not reddened it by His own Blood? We must not be grief-stricken that God is sharing with us the greatest mark of His favor: **THE CROSS!!!**

During the Month of October, as we celebrate the great victories of Our Lady of Fatima and Our Lady of Lourdes over Satan, let us bring our sick, our suffering and our dying to the foot of the Holy Altar to be bathed in the Most Precious Blood of Jesus through a Holy Mass Bouquet spanning the 31 days of October.
