Dear Apostles of the Immaculate Heart of Mary,

Each of us has many challenges, personal and familial, which require great faith, ardent hope and perfect trust. With the passing of each day, there are increasing pressures and demands made upon our time and resources. Often, we feel weary and unable to meet the challenges which present themselves. Yet, if we will take time to encapsulate our lives in a cocoon of prayer and trust in God, all things work together unto good. People in pain can be accusing, rude and even cruel. In a world which is impersonal, indifferent and uncaring, we must respond with compassion and love.

The pure gold of the Living Rosary is the DAILY DECADE united with over 15 MILLION members throughout the whole world, as one voice, crying to Heaven for the TRIUMPH OF THE IMMACULATE HEART OF MARY!!! It is simple, free and possible for everyone! I believe, very often people fail to realize this. Everyone may take part. The Holy Rosary must be held in highest esteem and the goal for every member is to be consecrated to the Immaculate Heart of Mary, in the home, in the parish, in the country and in the whole world. St. Philomena is our patroness and protectress. She is held in the highest esteem. Philomena is a child Saint who teaches us to be humble and to sacrifice our lives for the glory of God! There must be a great thrust to announce the devotion, enroll new members and, when possible, to reach them with the Sacramentals which must be given free of charge.

This being done, the devotion will grow incredibly and be a great strength to the Universal Church and a powerful protection against those who seek to persecute the Church and destroy our families. Carry the devotion to schools: primary, secondary and college level, to religious institutes and seminaries, hospitals, nursing homes and orphanages. The Living Rosary is a bulwark against depression, discouragement and despair.

All of us, without exception, are called to be apostles! Have Courage!

Patti Melvin, Universal Director
