Dear Patti,

I would like to convey my most cordial greetings! I beseech you not to mistake my silence as being indifferent to you since the day I ceased to communicate with you.

I always keep you in prayers before Our Lord Jesus Christ that He may accompany you in your daily routine. I am so sorry for not being in touch for the past two years. I want you to know that I have been following the **Postulancy** and the **Novitiate Programs** with **Franciscan Capuchin Brothers**. Due to these engagements, communication possibilities like postage and internet services were inaccessible to me because the Communities where I have been are remote from the urban cities.

How are things with your spirituality? I hope you are doing well and I solemnly request you not to forget me and to include me in your prayers that I may persevere in my vocation.

Dear Patti, I was extremely pleased with those good presents which you along with the others rendered to me.

I implore you to assist my pastoral service as you did in the past by sending special Rosaries, Miraculous Medals, Scapulars and other Sacramentals, prayer cards, leaflets and spiritual materials which are an invitation for new Christians who are living around my location (Novitiate).

I visit the new Christians around the rural areas where it takes four hours on foot to reach these places. I am very happy to help them, as this is part of my life. Please pray for me and support me in this Living Rosary Mission.

I send my heartfelt thanks to you. Please give my kindest regard to all our benefactors.

May God bless you!

Yours fraternally,

Brother Mebratu Paulos Gebre
